

DO YOU WANT TO LEARN MORE ABOUT WORKING WITH CHILDREN WITH PANS/PANDAS IN SCHOOL?

Participate in our free 90-minute online seminar and answer our brief pretest, posttest, and follow up survey to provide research data for us to continue to improve the seminar.

- This online seminar is designed for school personnel, but is open to all!

WHAT IS PANS/PANDAS?

Pediatric Acute Onset Neuropsychiatric Syndrome (PANS) and Pediatric Autoimmune Neuropsychiatric Disorder Associated with Streptococcus (PANDAS) are recently-identified disorders that seriously affect behavior, school performance and attendance in some children, often following an infection such as strep throat or sinusitis.

WHAT IS OUR PURPOSE? We are providing this online seminar for school personnel to feel more confident and knowledgeable in working with students with PANS/PANDAS including information about 504 plans, classroom accommodations, and IEP!
